

SHARING INFORMATION WITH OTHER PROGRAMS

Dear Parent/Guardian:

Your child's eligibility information for free or reduced price meals is private data. However, federal law allows a school to share your child's eligibility with federal and state education, health, and nutrition programs for which your child may qualify.

For the following, we need your permission to share your eligibility information for possible fee benefits: Athletics, Transportation, Activities, field trips and other school fees. Signing and sending in this form will not change whether your child will get free or reduced price meals.

Please check Yes or No.
